**Subject:** Vaccine Appointments Available for Educators, School Staff, Licensed Child Care Providers!

**EXTERNAL EMAIL ALERT! Think Before You Click!**

Dear County Judge Whitley,

I'd like to request your assistance in letting educators, teachers, school staff and licensed child care employees know that Walmart has COVID-19 vaccine appointments available this weekend and next at our local Walmart pharmacies. Eligible persons may call **1-833-886-0023** to schedule an appointment. Appointments are also available to eligible household members.

**What do I bring to my appointment?**

On the day of your appointment, please bring your ID, proof of vaccine eligibility if applicable, and insurance card (**red, white and blue card if over 65**) if you have one. Please plan to stay on-site for at least 15 minutes after your shot while we monitor you for allergic reaction.

Thank you,

Ivan Jaime
